15. Pit area

1. The pit area and the competition office are in use from Friday 26.05.2023 at 12:00 until the award ceremony on Saturday 27.05.2023
2. The pit area is open, there is no night guard at the pit
3. Each team must have a tent with MINIMUM dimensions (width x depth) of 3x3 meters.

4. Mandatory weights for tents shall be attached via ratchet straps — min. weight 15 kg/m², water for fillable weights will be provided

eg 3x3m pop up tent, please note the attachment of the tents, here is a purchase from the Helsinki Rescue Service:

(Note: In the absence of instructions from the manufacturer or designer, it is recommended to set up tents up to 300 m²:

- the body parts are connected to each other by interlocking connectors*
- the stabilization of the tent is affected by, among other things, the structure, height and shape of the tent. When loose weights are used, each corner of the small tents shall have at least the following weights: 2 x 2 tents 15 kg / pole; 4 x 4 tents 62 kg / pole; 5 x 5 tents 96 kg / pole; and 6 x 6 tents 139 kg / pole. The minimum weights apply to tents with a roof press and a rated wind speed of 15 m / s or less. In stronger winds, the ceiling press must be removed or weights added.*
- tents shall be secured to ground anchors or loose weights by means of lorries with a breaking strength of at least 250 kg. Ropes or the like are not reliable attachments.*
- Tents attached in accordance with these instructions may not remain attached in the event of severe weather. Therefore, in the event of a severe weather, the operating instructions recorded in the rescue plan and the monitoring of the weather conditions will be followed.)*
- In the event of severe weather or winds of more than 15 m / s, the attachment of the tents will be intensified or the use of the tents will be suspended. People are directed away from the vicinity of the tents and the tents are dismantled if possible. If other instructions have been provided by the manufacturer, they will be followed*

5. Every tent must have at least one 2 kg fire extinguisher placed on the left side of the tent's exit and shall be equipped with a fire detector

6. Tent places for the teams will be appointed by the organizer

7. Smoking, open fire, bbq and alcohol are strictly prohibited in the pit area

8. The cars will be parked according to the organizer's instructions

9. Fridges, coffee machines and similar equipment shall NOT be connected to the provided electricity network (limited capacity)

10. Every member of each team is responsible to take care of the environment around their tent, aquabike and equipment and to clean their own space in the pit area after the event

11. All team staff and drivers shall wear appropriate and recognizable team clothing as well as closed shoes in the pit area at all times
